# About Ascension Psychiatric Services

---

Ascension Psychiatric Services is a standout virtual psychiatry practice offering virtual visits throughout the State of Georgia. We offer a full range of psychiatry services and treatments for depression, medication management, gender identity, OCD, schizophrenia, insomnia, ADHD, eating and body image disorders, and much more.

Led by Anthony J. Hall, MSN, APRN, PMHNP-BC, a board-certified psychiatric mental health nurse practitioner, alongside exceptional staff.

Anthony has more than 25 years of clinical nursing experience, including 15 years of professional experience in the field of behavioral health. He's a United States Air Force veteran and passionate about his career. Anthony is dedicated to helping patients overcome complex psychiatric disorders.

He completed his bachelor's degree in nursing from the University of Texas Health Science Center at San Antonio, and earned a master's degree in nursing at American Sentinel College of Nursing & Health Sciences at Post University in Waterbury, Connecticut.

## Testimonials

The most down to earth medical professional I've worked with. He really listens and helps with what is best for each patient.
